

ADDENDUM 2

Date: 10 April 2026
Pages: 1
Subject: Addendum 2 to the AAI AM13390 Enhancing sustainable food logistics systems to reduce food loss and waste Short Course Request for Tender of 25 March 2026

Tenderers are advised of the following:

This addendum is openly available to all potential tenderers. It consists of responses to tenderers' questions.

QUESTION 1: There is the mention of the need for cold chain management and infrastructure in the program overview, however the learning outcomes lean closer to a broader view on sustainable food value chain, is there an expectation to emphasise cold chain logistics and key sectors that utilise this system?

ANSWER 1: The tenderers design the course to respond to the learning objectives, including cold chain management, warehousing and transportation.

QUESTION 2: Are retail experts expected to be part of the program?

ANSWER 2: It is recommended that the program also includes retail aspects from food loss and waste perspective.

All other information as set out in the RFT dated 25 March 2026 remains unchanged.
